

## Agenda

### Tuesday, 28<sup>th</sup> February 2023 - Day 1

13.00-14.00 *Welcome Coffee & Registration*

14.00-14.10 **Welcome & Introduction** (10 min)

Tobias Winkler - Charité - Universitätsmedizin Berlin, Germany

Tazio Maleitzke - Charité - Universitätsmedizin Berlin, Germany

14.10-15.10 **Roundtable of participants - Presentation to each other and their Expertise in Relation to the PROTO Project** (60 min, 4 min each)

- Charité - Universitätsmedizin Berlin (Charité)

- Paracelsus Medizinische Privatuniversität Salzburg - Privatstiftung (PMU)

- Oulun Yliopisto (OULU)

- Pluri Biotech Ltd (PLU)

- Kineto Tech Rehab Srl (KTEC)

- Be The Partner Inc (BtP)

- Nordic Bioscience A/S (NBS)

- Innovation Acta S.r.l. (InnActa)

- Stichting ReumaNederland (ReumaNL)

- Queensland University of Technology (QUT)

- Rheuma Liga

- External Advisory Board representatives

15.10-15.30 **WP1 - Project Management and Coordination** (20 min)

Gabriella Dessole - Innovation Acta S.r.l., Italy

Tobias Winkler - Charité - Universitätsmedizin Berlin, Germany

15.30-15.50 **WP2 - PLX-PAD cell manufacturing, GMP quality control, and cell characterization** (20 min)

Gilad Kunis - Pluri Biotech Ltd, Israel

15.50-16.20 *Coffee break*

16.20-17.50 **WP3 - Phase I/IIa, clinical study to assess effectiveness and safety of allogeneic PLX-PAD to immune-modulate and regenerate early stage knee OA** (60 min + 30 min discussion)

Tobias Winkler - Charité - Universitätsmedizin Berlin, Germany

Tazio Maleitzke - Charité - Universitätsmedizin Berlin, Germany

Thomas Klein - Be The Partner Inc, USA

Nitsan Halevy - Pluri Biotech Ltd, Israel

Alon Rayhman - Pluri Biotech Ltd, Israel

Udi Nir - Pluri Biotech Ltd, Israel

Janna Schweim - Charité Clinical Trial Office, Germany

17.50-18.00 **Group Photo** (10 min)

19.30-22.00 *Networking Dinner, Get Together, discussions and working tables*

### Wednesday, 01<sup>st</sup> March 2023 - Day 2

08.45-08.50 **Welcome**

08.50-09.10 **HaDEA & Horizon EU - project implementation and considerations from the project officer** (15 min +5 min)

Evanthia Monogioudi - European Health and Digital Executive Agency, Belgium

09.10-10.10 **WP4 - Personalized digital training intervention to reduce inflammation by correcting pathological movement patterns in pre-stage knee OA** (45 min + 15 min)

Nicholas Brisson - Charité - Universitätsmedizin Berlin, Germany

Georg Duda - Charité - Universitätsmedizin Berlin, Germany

Tazio Maleitzke - Charité - Universitätsmedizin Berlin, Germany

Leonie Krahl - Charité - Universitätsmedizin Berlin, Germany

Srdan Popovic - Charité - Universitätsmedizin Berlin, Germany

Camil Moldoveanu - Kineto Tech Rehab Srl, Romania

10.10-10.35 *Coffee break*

10.35-11.35 **WP5 - Immunometabolic and genetic biomarker profiling of OA patients** (45 min + 15 min)

Ali Mobasheri - Oulun Yliopisto, Finland

Daniel Ibrahim - Charité - Universitätsmedizin Berlin, Germany

Sven Geissler - Charité - Universitätsmedizin Berlin, Germany

Christian Thudium - Nordic Bioscience A/S, Denmark

11.35-12.15 **WP6 - Development and clinical validation of automated quantitative imaging biomarkers of inflammation and structural changes** (30 min + 10 min)

Felix Eckstein - Paracelsus Medizinische Privatuniversität Salzburg - Privatstiftung, Austria

Wolfgang Wirth - Paracelsus Medizinische Privatuniversität Salzburg - Privatstiftung, Austria

12.15-14.00 *Lunch*

14.00-15.00 **WP7 - Anti-inflammatory regenerative MoA of PLX-PAD and loading in OA** (45 min + 15 min)

Dirk Strunk - Paracelsus Medizinische Privatuniversität Salzburg - Privatstiftung, Austria

Dietmar W Hutmacher - Queensland University of Technology, Australia

Sven Geißler - Charité - Universitätsmedizin Berlin, Germany

15.00-15.20 **WP8 - Communication, dissemination, exploitation, citizen and patient engagement** (20min)

Gabriella Dessole - Innovation Acta S.r.l., Italy

Corné Baatenburg de Jong - Stichting ReumaNederland, Netherlands

15.20-16.00 **Final discussion & Farewells**

16.00-16.15 *Coffee break*

16.15-17.15 **SC Meeting with EAB and invited participants** (60 min)
